Announcement 1330

Reminder for Payerpath Users:

Include National Provider Identifier (NPI) of the Ordering, Prescribing and Referring (OPR) Provider on Claims

Provider types required to include the National Provider Identifier (NPI) of the Ordering, Prescribing and Referring (OPR) provider on claims are: 16, 17 (specialties 167, 169, 196 and 215), 19 (specialties 184 and 186), 23, 27, 29, 33, 34, 43, 45, 46, 55, 63, 64 and 68. Payerpath users are instructed to enter this information by clicking on "Electronic Fields" and under the UB04 Institutional – NV Medicaid Institutional bar click on the "Referring Provider" category. In the screen that opens, key in the referring provider's first name, last name and NPI. Click on "Save & Run Edits" to complete the process.
